Checklist for new/returning staff, LBV Vordruck 103

Dear Sir or Madam

We are responsible for paying your salary and, if applicable, Kindergeld (child benefit) from the moment your contract begins. In order to pay your salary on time, you need to give us some additional information. This checklist will help you find your way through the great number of Vordrucke (forms and information) that are involved.

Where can I find the Vordrucke (forms and information)?

You can find all Vordrucke on our internet pages. You can either type www.lbv.bwl.de/vordrucke directly into your browser or you go to our homepage www.lbv.bwl.de and click on “Vordrucke”.

• Here you can find this “Checklist” (in German) with direct links to ALL required forms and information. Please enter number 103 in the box next to “Vordrucknr.”.

• In case you know the numbers of the required Vordrucke, you can simply enter this number in this same box (without LBV, e.g. 42101), and the pdf version of the document will appear.

If you are not able to print the documents, you will receive the printed versions from your employer (not from the LBV).

Important information required for calculating income tax

"ELStAM" (Elektronische LohnSteuerAbzugsMerkmale) is income tax information that is transmitted via an electronic data exchange system. We need your personal tax identification number (Steuer-ID) and your individual tax liability information, e.g. taxation category (Steuerklasse) and religious denomination (Konfession), for this system. You can state these details in the Erklärung zur Auszahlung der Bezüge (declaration for payment of earnings).

With your tax identification number (Steuer-ID) we can access the "ELStAM" information for this employment contract at the Bundeszentralamt für Steuern (Federal Central Tax Office). If we calculate your first salary without having received any "ELStAM" information, we calculate your income tax based on the information you have provided.

If the tax information you have provided differs from the "ELStAM" information, your income tax will be calculated based on "ELStAM". To update/correct data contained in "ELStAM", you need to contact your local Finanzamt (tax authority).

2.2 Do you wish to receive Vermögenswirksame Leistungen (capital-forming benefits)? Then please submit:

- Antrag auf Vermögenswirksame Leistungen (application for capital-forming benefits) LBV 507
